EUROPEAN ASSOCIATION FOR STUDIES ON AUSTRALIA.

Third conference: Copenhagen, October 6-9, 1995.

Call for papers.

Conference theme: Inhabiting Australia: The Australian Habitat and Australian Settlement.

The conference aims to bring together contributions from a wide range of disciplines, from architecture to zoology. Papers which take up the theme from cultural, historical, social, scientific, literary and other artistic perspectives are invited. The organizers hope to produce a programme which includes papers relating to the arts and subjects such as archaeology, anthropology, ecology, geography, environmental history, immigration and Australian settlement patterns, natural habitats and built environments. Papers on the European impact on Australian habitats and papers which develop interdisciplinary approaches to the topic will be welcome. It is intended to devote a substantial part of the conference to Aboriginal Australia, in the widest sense of the term.

Short proposals (c. 100 words) for papers should be sent to Ms. Merete Borch or another of the conference organizers, by November 1, 1994. Proposals for papers from graduate students are also invited. Responses to proposals will be sent out at the beginning of January, 1995.

The deadline for completed papers is July 31, 1995.

Registration forms will be distributed by the beginning of January, 1995.

Deadline for registration, May 1, 1995.
